Dear Community Partner,

Every day in Lane County, thousands of youth with disabilities and special needs—and their families—face challenges that can feel overwhelming. Whether it's navigating school systems, finding stable housing, or accessing life-changing healthcare, families often need a trusted guide.

That's where Direction Service comes in. **At zero cost to clients, Direction Service connects youth with disabilities ages 0-23 (and their families) to services and supports in the community** so they can thrive at school, at home, and in our community.

Help support Lane County families by sponsoring or contributing to our 2026 Golf Tournament

Date: Friday, June 26, 2026

Time: 10:00 AM

Location: Pine Ridge Golf Club

Estimated Attendance: 175 (includes players, staff, and partners)

Why Your Support Matters

Last year, more than 16% of Lane County students lived with a disability—over 5,000 children across Eugene, Springfield, and Bethel schools. With your help, Direction Service can continue to reduce barriers for families, inspire hope, and prepare youth for brighter futures.

How You Can Help

- **Become a sponsor:** Join us in reaching our \$50,000 goal while gaining visibility for your business. Sponsorship levels are outlined in the enclosed packet.
- **Donate in-kind:** Auction and raffle items, or food and beverage contributions, help reduce event expenses and inspire giving.

We are grateful for your consideration. Your generosity will help make this event a success and a celebration of resilience, inclusion, and community strength. **Families in Lane County rely on us, and we rely on leaders like you.** We would value an opportunity to discuss how your business can make a lasting impact—please contact our Development Department at 541-600-8655.
